Trustee Fees in Subchapter V of Chapter 11 and in Chapter 12 cases

Subchapter V of Chapter 11

The advance deposit the debtor must pay the trustee in a case under Subchapter V of Chapter 11 is:

Due Date	Amount
Within 5 days of the Petition Date	\$1,000.00
Each Month on the same day of the month as the petition date until a Subchapter V plan is confirmed or until the total amount held by the trustee is \$3,000. If the advance deposit drops below \$3,000 because the trustee was paid authorized compensation from the deposit, the debtor must restart payments until the advance deposit again reaches \$3,000	\$500.00

Chapter 12

Whether a plan provides for payments to creditors directly or through the trustee, the debtor must pay the trustee a fee, for each year of the plan, equal to 10% of all payments under the plan (or such other percentage set by the Attorney General or its delegate under 28 U.S.C. § 586(e)), or \$6,000, whichever is less. The debtor must also pay an initial payment of \$200.00, which the trustee may retain if a Chapter 12 plan is not confirmed, or which will be applied as provided in a confirmed plan. This order is entered, without limitation, under 11 U.S.C. § 105.
