)
Amendment to Local Rules regarding)
Chapter 13 Fees)

General Order 26-03

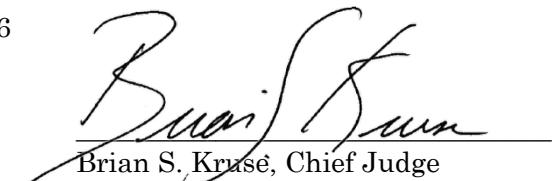

1. To effectuate general Chapter 13 fee increases, Appendix B to the court's Local Rules is revised as stated below. The fee increase applies only to an application filed on or after the effective date of this order. Specifically, Section B of Appendix B is deleted and replaced with:

B. **Fee Application with Plan.** The debtor's attorney may file a fee application as part of the Chapter 13 plan if the services to be provided include all services in Paragraph A and the total fees and costs do not exceed \$5,000 (\$4,800 for fees and \$200 for expenses). The fees will be approved as part of the plan.

2. The court's À La Carte ("ALC") fee schedule and application, Local Form NEB 2016-1 App B-2, is updated to also increase several ALC fee amounts. The new application is on the court's website under Local Forms. The update also eliminates most previously allowed expenses for photocopy charges, which are deemed part of an attorney's general overhead, and which were considered in setting the ALC fee amount. The fee increase applies only to an ALC application filed on or after the effective date of this order.

3. The court's Chapter 13 Plan, Local Form NEB 3015-2(A), is updated. The new plan is on the court's website under Local Forms. The update retitles the form, *Chapter 13 Plan and Fee Application*, and includes revisions to Part 4 regarding administrative expenses, specifically debtor's attorney fee applications. The revisions were necessary to facilitate compliance with 8th Circuit policy.
