**General Order 22-04**

A debtor who files a petition under Chapter 13 of the Bankruptcy Code must submit all future income to the jurisdiction of the bankruptcy court. Payments must start no later than 30 days after the date the case was filed. *See* 11 U.S.C. § 1326(a)(1). This order applies in all cases where the debtor pays the trustee directly and not through employer wage withholding.

A Case Information Sheet is attached that contains payment directions.

IT IS THEREFORE ORDERED, immediately after receiving a copy of this order:

1. The debtor(s) must comply with the instructions on the Case Information Sheet and must timely pay the amounts stated.
2. Payments must be sent to the Chapter 13 trustee appointed in this case or her successor in interest.
3. Payments must only be made by money order, postal order, cashier's check, or certified funds. Personal checks and cash will NOT be accepted.

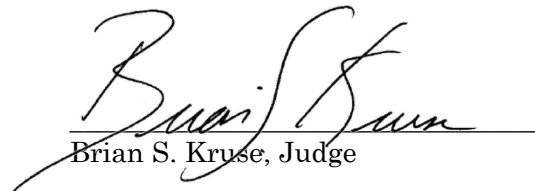

The Chapter 13 trustee must complete Case Information Sheet, serve it along with a copy of this order on the debtor(s), and file with the court a copy of the documents served. The trustee may notify a debtor to cease payments if the case is dismissed, if the plan is completed, or for other similar reasons.
