General Order 26-05

The Bankruptcy Noticing Center (“BNC”), which produces and transmits notices and orders on behalf of this court, experienced a nationwide service interruption starting October 9, 2026. Since then, notices and orders the court transmits to the BNC for delivery by mail or by Electronic Bankruptcy Noticing have not been delivered. The interruption also affects the National Creditor Registration Service (“NCRS”) and impairs the ability to generate creditor mailing matrices. The CM/ECF System, including Notices of Electronic Filing, continues to operate normally. The duration of the interruption is unknown.

Temporary procedures are necessary to ensure that legally sufficient notice is given in bankruptcy cases and adversary proceedings during the interruption. Accordingly, under 11 U.S.C. § 105(a), Federal Rules of Bankruptcy Procedure 2002(a) and (f), 9007, and 9029(b), and Nebraska Rule of Bankruptcy Procedure 1001-1(A), and subject in all respects to applicable statutes and the Federal Rules of Bankruptcy Procedure,

IT IS THEREFORE ORDERED:

1. ***Existing Service.*** Transmission of a document to the BNC does not establish notice was given. Nothing in this order changes any party’s obligation to serve documents under applicable law or rule. Duplicate service is not required on a recipient who received a document through the CM/ECF System or another authorized method.
2. ***Service of Notices and Orders Listed in Appendix H.*** Under Fed. R. Bankr. P. 2002(a) and 9007, and notwithstanding Local Rule 9072-1(C) and Appendix H, during the interruption each of the following affected notices must be served by first-class United States mail on all entities

The debtor must serve notice of any rescheduled meeting in the manner provided by Local Rule 3015-2(F). Rescheduling the meeting does not by itself change any deadline stated in the notice; a party seeking relief from a deadline must proceed under paragraph 7.
 - d. In Chapter 12 and Chapter 13 cases, the notice may be served in the same mailing as the plan and the notice required by Local Rule 3015-2(E).
 - e. If the debtor cannot complete service within the time required, the debtor must promptly file a motion seeking appropriate relief.
4. ***Time for Service.*** Except as provided in paragraph 3, the responsible party must serve any affected notice immediately after it is docketed.

R. Bankr. P. 2002(g); and (4) governmental units required by Local Rule 1007-1(A) and Appendix A to the Local Rules.

 - c. If a creditor filed a proof of claim or a request for notice stating a noticing address, the responsible party must serve that address.
 - d. Each party serving a notice or motion must ensure notice is given to every entity entitled to it, and not only to entities appearing on a compiled list.
 - e. Unrepresented parties may view case records and obtain lists of creditors through a PACER account (www.pacer.uscourts.gov). PACER fees are waived for a user who accrues less than \$30.00 in a quarter.
6. ***Resistance Deadlines in Affected Motions.*** If motion affected by the interruption sets a resistance deadline under Local Rule 9013-1(B) and is served under this order fewer than 21 days before the deadline, the movant must file, and serve with the motion, an amended notice setting an amended resistance deadline at least 21 days after the date of service.
7. ***Deadlines, Hearings, and Relief.***
- a. Any party affected by delayed or unsuccessful noticing may seek a continuance, additional notice, an extension (including under Fed. R. Bankr. P. 3002(c)(6), 4004(b), and 4007(c)), or other appropriate relief by motion. The motion must identify the affected notice or motion, explain how the failure to receive notice affected the party, and specify the relief requested. The court will consider each motion on a case-by-case basis.
 - b. Except as provided in paragraph 6, this order does not extend, shorten, or alter any deadline fixed by statute, the Federal Rules of Bankruptcy Procedure, or order of the court, and does not dispense with any required notice or service.
8. ***Duties of the Clerk.*** To the extent a statute or rule requires the Clerk or the court to give a notice, including Fed. R. Bankr. P. 4004(g) and 11 U.S.C. § 704(b)(1)(B), service by a responsible party under this order is undertaken as a person designated by the court to the extent legally

permissible. The court may direct a different noticing procedure in an individual case consistent with applicable law.

9. ***Implementation; Restoration; Termination.*** The Clerk may publish ministerial implementation instructions consistent with this order. This order takes effect immediately and remains in effect until further order. When BNC service is restored, the Clerk will post notice on the court's website.
